DHS Training Committee Mission and Objectives

Mission Statement:
To develop, implement, and evaluate training to all DHS members and partners by working collaboratively to coordinate research based, innovative learning opportunities.

Objectives:

1. Identify training needs from the field.
2. Prioritize training needs.
3. Collaborate with partners.
4. Recognize new research/trends to incorporate into training.
5. Provide input into the development and delivery of curriculum.
6. Recognize training that requires updating/serve as quality control by auditing courses.
7. Identify subject matter experts for subcommittees (training committee members and others).
8. Identify funding streams.
