MEDICATION- ASSISTED RECOVERY ANONYMOUS

Wednesdays | Noon

Full Circle Recovery Community Center

One size does not fit all! At MARA, recovery is simply to recover from an unsafe lifestyle.

Do you use prescribed medication to treat various drug and alcohol use disorders? Many people who utilize evidence-based science to aid in their recovery sometimes feel uncomfortable in their day to day lives. Additionally, a multitude of people on this healing path have even felt unwelcome at traditional recovery meetings. We understand.

At Medication-Assisted Recovery Anonymous (MARA), you're always welcome!
