***Touch a heart,  
change a life...  
maybe your  
own.***

Opportunities are available in Marion, Warren, Jasper, Polk, Dallas, Story, Boone, and Hamilton Counties.

### Volunteer Opportunities

A person that volunteers is very special, yet not out of the ordinary. It is a regular person just like **YOU** that has chosen to bring compassionate support to others. Volunteers offer a caring presence to patients and their families in a variety of ways, including but not limited to:

- Visiting with patients, writing letters, reading
- Keeping the patient's environment comfortable & inviting
- Bereavement visits and calls
- Pet Therapy
- Helping with administrative & clerical tasks

Volunteers receive initial training and on-going educational opportunities. Anyone previously trained as a hospice volunteer will only need to complete the WesleyLife orientation piece. Whatever hours you can give are appreciated. To learn more about the rewards of being a WesleyLife Hospice Volunteer, contact Sarah Lindner, Volunteer Coordinator at
