## ADOPT-A-FAMILY 2023

*Make a Difference in the Lives of Local Families*

Iowa HHS is currently looking for volunteers to make a difference in the lives of local families in need this holiday season. Please consider Adopting A Family to give back to the community!

Volunteers sign up to provide gifts and necessities to local children and families during the month of December. Companies, families, and organizations can make this a yearly holiday tradition. What a great way to give back to others in our local communities.
