

Short Years Partnership

Family Support Professional | Home-Visiting Parent Educator

The Short Years Partnership has an opening in our Parents as Teachers Program for a Family Support Professional in the Warren County Parents as Teachers Program.

Parents as Teachers is an evidence-based parenting education and family engagement model designed to serve families through custom home visits until their child enters kindergarten.

The Family Support Professional will conduct home visits with parents with young children throughout Warren County. Hours will vary and will include day, evening, and occasional weekend hours. Regular travel is required.

RESPONSIBILITIES

- Conduct home visits with parents with young children throughout Warren County.
- Maintain ongoing knowledge of child and parent development.
- Develop respectful and trusting relationships with parents while providing them with information, support, and encouragement.
- Demonstrate respect for diverse needs and characteristics of families.
- Complete regular documentation in a timely manner.
- Plan and facilitate group events.
- Represent the Parents as Teachers program at various community events.
- Attend regularly scheduled team meetings and ongoing training opportunities.

- Adhere to confidentiality policies.
- Provide support with translation & interpretation.

MINIMUM REQUIREMENTS

- High school diploma and two years of previous supervised work experience with young children (ages 0-9) and/or parents
- Valid driver's license and reliable transportation
- Computer proficiency with email, internet, and word processing
- Ability to learn to use computer-based record keeping
- The candidate hired for this position will be required to attend a 2-week virtual training within the first two months of employment. Additional training may involve occasional out-of-state travel.

PREFERRED QUALIFICATIONS

- Bachelor's degree in early childhood, education, social work, or related field
- Supervised experience working with young children and their parents in a home visitation setting
- Strong working knowledge of child development
- Classroom teaching or group facilitation experience

Short Years Partnership offers a positive, supportive work environment with competitive pay. Please submit a cover letter and resume for consideration.
