

Summit For Solutions

Evidence-based, brain injury informed strategies to improve outcomes in the child welfare system

Friday, August 2, 2024
8:30 a.m. - 4 p.m.

Calling all leaders, decision makers, and child welfare partners in Iowa to collaborate and learn strategies to improve child welfare outcomes.

The Summit will cover the intersectionality of behavioral health and interpersonal violence, along with personal and professional perspectives within the child welfare system. Participants will learn what can be done to improve outcomes and who can be a champion for change. A strategic workshop will be conducted at the conclusion.
