

UNDERSTANDING AND RESPONDING TO THE SEXUAL BEHAVIORS OF CHILDREN

APRIL 17, 2024 6-8PM VIA ZOOM
In this training you will:

- a)** be able to distinguish between expected, problematic, and abusive behaviors of children
- b)** be prepared to promote health and prevent perpetration behaviors in children
- c)** be ready to intervene with children to prevent reinforcement of repeated harmful behaviors. You will develop the skills to keep children safe from other children with problematic behaviors and to promote healthy development in all children.

If you have questions, please contact Ari Davis
