Career Toolkit

Participate in a free week-long intensive workshop that will prepare you for re-entering the workforce. Topics include:

- Resume development
- Mock interviews with local employers
- Interview suiting
- Customized job search tools

Hiring Event

Participate in onsite interviews with local companies.

One-on-One Appointments and Walk-ins

Call to schedule an appointment for assistance with the following topics:

- Career exploration
- Resume basics
- Computer basics
- Cover letters
- Interviewing techniques
- Job search strategies
- LinkedIn
- Office skills/typing class
- Networking

Our center is open daily for use of the computer lab, access to self-directed job development resources, and walk-in service.
