

UNDERSTANDING AND RESPONDING TO THE SEXUAL BEHAVIORS OF ADOLESCENTS

APRIL 18, 2024 6-8PM VIA ZOOM

In this training you will:

- a)** be able to distinguish between expected, problematic, and abusive behaviors of adolescents
- b)** be prepared to promote health and prevent perpetration behaviors in adolescents
- c)** be prepared to respond to prevent harmful sexual behaviors in adolescents and to be proactive when these behaviors are observed. You will develop the skills to keep children safe from youth with problematic behaviors and to promote healthy development in all youth.
